WORK EXPERIENCE
Hackbright Academy   **Feb 2022 - April 2022**
Student Software Engineer - Remote
- Accelerated software engineering program - taking advantage of being a fast learner, developed skills and knowledge across fundamentals of data structures, algorithms, testing, front-end, back-end, and database programming using Python, Javascript, HTML and Bootstrap in the short period of 12 weeks.
- Utilizing excellent communication skills, collaborated on pair-programming assignments with cohort colleagues - daily lab projects include databases, testing, utilizing APIs, creating sessions, etc.
- Using Python, HTML, SQL, Javascript and more, applied full-stack development skills to build a web application, MySocialDog - personal project.

Grocery Associate   **Sep 2021 - Feb 2022**
Wegmans Food Markets – Richmond, VA
- Maintaining order of grocery aisles at the meat department, ensuring that the aisles are fully stocked and clean.
- Providing excellent customer service, responding to customer's questions and assisting customers with purchases, and information about the product.
- Responsible for quality assurance, checking products expiration date and utilizing the method FIFO for stocking products.
- Responsible for labeling and pricing products.

Babysitter   **Aug 2020 - May 2021**
Care.com Inc – Richmond, VA
- Responsible for ensuring a safe and nurturing environment for a 10-month-old baby.
- Transportation, meal preparation, play and educational time were also my responsibility.
- Balanced playtime and limited screen time to support development of fine motor, gross motor and cognitive skills.
- Supervised children on the playground to help develop physical and social skills.

Instacart shopper   **May 2020 - Sep 2020**
Instacart – Richmond, VA
- Responsible for pickup and delivery of products selected online by customers from a large grocery store.
- Consistently meet deadlines and quality goals for accuracy and timeliness.
- Memorized store layouts and planograms to fulfill orders using the shortest, most efficient route.
- Tracked substitutions and informed customers of changes.
- Reviewed customer orders closely to locate desired items and checked the app regularly to identify any changes.
- Maintained high satisfaction ratings by completing orders quickly and making good selections for customers.
- Loaded and unloaded orders at customer's homes or locations.
- Kept vehicle clean and neat to offer a professional impression to every customer.

Au Pair   **Aug 2017 - Jan 2019**
Au Pair Care – Collingswood, NJ
- Responsible for ensuring a safe and nurturing environment for two toddlers, ages 1 and 3.
- Transportation, meal preparation, play and educational time were also my responsibility.
- Kept children's areas neat and clean.
- Taught children to organize toys, wash hands and share by leading by example.
- Observed play activities to identify positive behaviors and areas in need of improvement, implementing behavior redirection where appropriate.
